SUBJECT: ONE-STOP CAREER CENTER SYSTEM SURVEY REPORT

The Employment Development Department is pleased to announce the release of the [2006 One-Stop Career Center System Survey Report](#). The One-Stop survey is completed once every two years to get updated information about how California's One-Stops are operating and the services that are provided to customers.

This report provides an overview of responses provided by individual career centers, and is designed to serve as a snapshot in time for California's One-Stop Career Center System.

If you have any questions or comments about the survey process or results, please contact Jennifer Mitchell at (916) 654-6533.
